

SHARI HARRISON'S PRESIDENT BLOCK

I've attached a picture of the Christmas ornament block.

What Shari wants is a 9 inch block that is just the body of the ornament, not the top strip or sides. Cut three strips 3.5 x 9.5 inches. The top and bottom strips are 'snowballed' with 2.5" squares of white (not cream, tan or anything else, just bright white). The strips can be any bright red, green, or other holiday fabric. May use prints, and center strip can be pieced if desired. I can provide 2.5in white strips for the corners.

Cut strips and squares

Sew strips and fold squares

Sew squares in each corner

Press block, sign and done!
