Quilt Layout (16 blocks + border)

Flagstone block (make 16)

block assembly sections

Cut the strips to make

(16) 10 ½" segment, (64) 8" segments, (16) 5 ½" segments

Assemble 16 unit A by sewing an 8" strip to one side of an 8" block.

Assemble 16 unit B with a 5 ½" square, one 5 ½" strip, and two 8" strips.

Align the last 5 ½" square with the top edge of the unit A block, and stitch a partial seam, leaving the un-aligned edges unstitched. (see wavy stitching lines on block assembly)

Add the unit B to the right side of this group.

Add the 10 ½" strip to the top of this group.

Add the last 8" strip on the left, then finish sewing the first partial seam you sewed.

Create 16 blocks this way.

Arrange the 16 blocks as shown on the quilt diagram, (turn every other block around 180 degrees) and assemble in 4 rows of 4.

Piece the border strips as needed to create two top and two side borders. Add the borders.
