

# Scrappy Rail Fences

This kit contains

**7 wide border strips totaling at least 280"**

**40 assorted strips, each 3" wide by width of fabric**

You can assemble this quilt as 3-rail blocks (70 8" blocks) or 4-rail blocks (35 10 ½ inch blocks)

## **3-Rail Blocks:**

Choose 3 different strips which contrast. Sew the 3 strips together lengthwise to make an 8 inch wide strip. Crosscut the strip into 8 inch blocks. Continue creating strip sets until you have 70 blocks.

Assemble the blocks in 10 rows, each row with 7 blocks. Alternate setting each block with the strips lined up north-south with another block lined up east-west. Assembled top should measure approximately 53 by 75 ½ inches.

## **4-Rail Blocks:**

Choose 4 different strips which contrast. Sew the 4 strips together lengthwise to make a 10 ½ inch wide strip. Crosscut the strip into 10 ½ inch blocks. Continue creating strips until you have 35 blocks.

Assemble the blocks in 7 rows, each with 5 blocks. Alternate setting each block with the strips lined up north-south with another block lined up east-west. Assembled top should measure approximately 50 ½ by 70 ½ inches.

**Add Borders:** piece the border strips to match the size of the top. Add the borders.

Finished top should be approx. 64" x 86" or 61" x 81"
